Assessor:

Directions:

Present the following items to the learner when prompted in the Assessor Script and Scoring Guide or the Pre-Assessment Scrip and Stimuli Book. For each item, provide the learner with a pencil to the complete the task. The learner may independently erase to self-correct errors. The assessor may provide directions regarding where to write or indicate answers in the correct location. At the bottom of the page, circle the appropriate score. If the learner answered each component correctly, the score is "1," and if one or more components is incorrect, the score is "0."
